

MAKE A LOTTO DIFFERENCE
Making a difference for every child, every day

Royal Manchester Children's Hospital Charity's weekly lottery is promoted by the Giant Cash Bonanza Society.

How it works

You can buy up to two entries per person. Each entry will be allocated a unique set of numbers which are yours to keep for as long as you play.

Every Friday 30 lucky winners are selected at random. Prize cheques are then automatically posted to the winners, so there is no need for you to claim your prize. To enter you must be aged 16 or over. You can check your weekly results online, and all results are available at rmchcharity.org.uk/lotto

Win up to £10,000 and help make a difference for every child, every day.

Royal Manchester Children's Hospital treats over 240,000 patients from across the North West each year. Our lottery is a great new way to make a difference to these children, both now and in the future. Every £2 you play will support projects that make a difference to our young patients, whilst also giving you the chance to win a weekly jackpot of £1,000 - with an additional chance to win a whopping £10,000 in our annual bumper jackpot draw!

Money raised by the lottery will directly fund projects within the children's hospital.

We do this by:

- Providing state-of-the-art and specialised equipment to help improve diagnosis and treatment of our patients
- Undertaking ground breaking medical research to help us better understand illnesses and identify better ways to treat them
- Supporting projects that help to create a more patient and family friendly environment for our patients and their families.

When you play, you're making a real and lasting difference to our young patients and their families, now and for years to come.

So go on, fill in this form to join today - and be in with a chance of winning up to £10,000!

Thank you!

Your small change could make a big change for Royal Manchester Children's Hospital - and you too!
